Free board game for families who attend at least 6 sessions

Framed family photo to document the memories made

Program is open to up to ten families.

All families must <u>pre-register by February 9th</u>

"Instead of yelling I've just been asking questions and that seems to be getting results a tad bit quicker than yelling. We're taking baby steps!"

previous participant of RTC program

The I CAN PROBLEM SOLVE approach in the **Kaising a Thinking Child** workshop series helps parents guide their young children to solve common, everyday problems and prevent more serious problems down the road.
